

OLD PROBLEM, NEW EFFORT

Council Plans Mission Street Parking Study

The city council Monday night rejuvenated plans to do something about the sorry off-street parking situation on Mission street—a move that requires the cooperation of top-of-the-hill merchants.

Mayor Edward J. Denis, who admitted the project needed

concerted attention as he spoke to the Chamber of Commerce last week, appointed Councilman Francis Pacelli and Michael De Bernardi to begin working on some proposals as a committee.

Merchants have complained many years because a former council diverted parking meter funds for off-street parking into the general fund—a few months after setting up an ordinance to meet the parking facility problem.

The mayor and city manager have asked the full backing of the chamber of commerce on the new project.

COUNTY BUDGET UP 10% BUT TAX CUT SEEN

San Mateo county's new fiscal budget, adopted Tuesday by supervisors, is about 10 per cent higher but the tax rate may be reduced by two cents.

This is the report of County Manager E. R. Stallings on the 1959-60 fiscal budget totaling \$27.7 million.

Pay raises and the need for more services due to the population boom are responsible for the bigger outlay. Stallings noted that increased assessment valuations and higher fund balances than expected will allow the tax cut.

6-Month Water Survey To Cost City \$24,300

The city council has awarded a \$24,300 contract to the firm of George Washington and Associates for a six-months water survey to determine Daly City's immediate and long-range needs in this department.

Award to the San Francisco firm, lowest estimate of three who were interested, was recommended by City Manager George Watts and Public Works Director Otis Calhoun after extensive interviews.

Water service is one of Daly City's major sources of revenue. The survey, Watts said, "will tell us how we stand, what we need and what we have at our disposal."

\$3900 Discrepancy

FORGERY, EMBEZZLEMENT CHARGES FILED HERE AGAINST MOM, 29

A battery of forgery and embezzlement charges were brought against a 29-year-old mother following her arrest by Officer Jerry Galindo and Sergeant Bruno Conci early Tuesday morning.

Mrs. Gladys W. Morris, a San Bruno woman, admitted responsibility for a \$3900 shortage in the accounts of the Dan Goodwin Roofing Company, 1861 Junipero Serra boulevard.

During the year in which she was employed there, Mrs. Morris allegedly falsified the amounts on six pay checks for her own benefit.

In the first of these maneuvers, which occurred during late February, she changed her weekly pay draught from its correct sum of \$86.85 to \$386.85.

This set a pattern which she followed in five succeeding incidents.

In early April she made an \$80 check read \$680, later that month \$83.85 became \$683.85, the same thing happened at the beginning of this month.

In the middle of May an insignificant pay of \$30 was cashed for a whopping \$930 and a few days ago \$70.85 magically provided her with \$970.85.

These falsifications had gone undetected due to the fact that when Goodwin periodically asked for a look at the bank statements Mrs. Morris concocted an excuse to keep them away from him.

However, when he finally demanded that she produce them immediately or answer to the police, Mrs. Morris turned the documents over.

As a result she will now have to answer to three charges of grand theft and three of forgery.

When asked the reason for her action, Mrs. Morris replied that she needed the money for bills and other expenses. She has now returned to her home and the care of her three year old daughter after being released on \$5000 cash bail.

Attempts are being made to contact her husband, who is sailing as a merchant seaman somewhere in the Pacific, and her family in Georgia.

After thorough investigation, it was noted by Galindo and Conci that the woman has no prior police record. They speculated that this could be of aid to her defense at a later time in court.

NEW TRUSTEES WIN JOBS BY SOLID TOTALS

Thumping victories were registered in the Jefferson Elementary trustee race by Joseph Lewkowitz and O. Wayne Douglas and in the high school battle by James M. Cooper.

Cooper proved to be the best vote getter by sweeping 13 of the 18 precincts. The other five, precincts two, seven, eight, 17 and 18, went to Joseph P. Schultz, while the Rev. Fred L. Fanthorpe was without a victory.

Voters in the elementary district also registered a strongly positive choice by giving winner Lewkowitz nine precincts and Serve-Our-Schools Committee-backed Douglas eight districts.

Marvin N. Nathan, the other SOS man, carried only precinct 16, while John Evangelisti Jr. and Donald Leshner failed to register a win.

Lewkowitz took districts one, two, three, four, five, six, seven, eight and 18, while Douglas carried off nine through 17.

W'lake Assn. Claims Opperman Case Victory

Westlake Improvement Association officials maintain that the "consent judgment" filed in municipal court, South San Francisco, on May 14, ending the WIA's "test case" against Mr. and Mrs. Richard Opperman, substantiates the position of the association in levying assessments.

A closer check of the May 14 settlement, with Municipal Judge Marcel Biscay sitting on the bench, showed that both the Oppermans and the association agreed to settle their long-standing case through their attorneys.

The Oppermans, who a few years ago when taken to court for failure to pay assessments, themselves filed an action challenging the association's right to levy the same, agreed to pay \$25 to the WIA by the May 14 settlement. An association spokesman said the WIA gave the Oppermans credit for \$19 they were charged and paid earlier as a first assessment.

Records showed that the Oppermans unfairly had been charged the \$19 twice, thus the WIA corrected the discrepancy and the May 14 agreement actually amounted to a \$6 outlay by the Oppermans.

Both parties agreed to pay their own court costs and attorney fees.

The Opperman-association argument dates back to 1954 when the WIA started a suit against them and five other couples for payment of dues and/or assessments. Verdict in this resulted in victory for the defendants as the court held that the association did not have the right or power under California law to levy the assessments.

The association then appealed to the Appellate Department

COUNCIL PAVES PROGRESS

Realignment Estimate Six Months, Temporary Road Sought Until Then

Spurred on by another capacity crowd, the city council Monday night stepped on the accelerator in attempting to end the delay on the realignment of old Edgemar road.

After repeated talks with Tom Callan Jr., city officials believe they have the builder completely committed to cooperate on realigning the much-protested route to complete Eastmoor avenue and speed construction of the M. Pauline Brown school site.

PENNY CLAIMS INSANITY IN NORRY MURDER

"Not guilty by reason of insanity."

This plea Monday by Penny Bjorkland before Superior Judge Frank Blum found the latter setting June 15 for determination of the trial date.

In the meantime, Penny will be examined by three court-appointed psychiatrists. The 18-year-old blonde already has two psychiatrists of her own. She has also been examined by one designated by the district attorney's office.

Under California law, Penny, 241 Oliver street, if held sane, could go to the gas chamber for the confessed slaying of Daly City gardener August Norry here February 1.

Neighbors' Feud In W'lake Brings Suit For \$75,000

A \$75,000 suit has been filed by Mr. and Mrs. S. Kaufman against their next door neighbors Mr. and Mrs. Harry Lee, who live at 168 Northridge drive.

In the action it is charged that the Lees maliciously intended to unjustly cause Mrs. Kaufman to "suffer punishment, to be deprived of her liberty and to oppress and ruin her."

An accusation is also made against the Daly City police department to the effect that they were maliciously stirred up by the Lees to conduct an investigation of an alleged extortion document in Kaufman's home without legal process.

A check with Assistant Police Chief Roy McLaren shows the last mentioned complaint to be apparently groundless.

It also charged that the Lees set fire to ground adjacent to the Kaufman residence by pouring kerosene on the ground and that they "at all times stated to neighbors in the Westlake area that Mrs. Kaufman committed the offense of extortion."

CIAMPI TRIBUTE NEXT TUESDAY AT WESTMOOR

Daly City dignitaries, school leaders and citizens will fetter architect Mario Ciampi next Tuesday night in a design awards dinner and tour of Westmoor High and Vista Mar Elementary.

Ciampi won coveted national awards for his design of both Daly City plants.

Tuesday's festivities start at 6:15 p.m. with a tour of Vista Mar on Southgate avenue. Dinner is next at Westmoor, followed by a tour of that modern structure.

Tickets for the dinner are \$2 and may be secured by calling PL 5-3341 or PL 5-1162.

Red Cross Remembers DC Police Sergeant In Council Ceremony

Monday's city council meeting was preceded by the solemn presentation of an American Red Cross resolution of appreciation to the wife of the late Dean Wood, veteran Daly City police sergeant.

The citation, handed over by K. W. Van Grundy, chairman of the San Mateo County Chapter of the Red Cross, recognized the service and community-dedication of Wood as a first aid instructor, a role he performed 16 years.

POOLSIDE JUDGING

Deadline Next Week For 'Miss DC' Beauty Contestants; 9 Thus Far

Nine young lovelies already have taken out entry blanks in the fifth annual "Miss Daly City" beauty contest, with the deadline reset to Wednesday, June 3, according to Chamber of Commerce spokesmen Ray Logan and Fred Martin.

Preliminary judging will be held on Friday evening, June 5, at the swimming pool apartments, 200 Park Plaza drive. Finals are on the night of June 18 at Westlake Joe's.

The preliminary event, earlier scheduled for this week, was put over until June 5 due to a conflict with a high school dance this Friday.

Eligible to compete are Daly City-Colma area girls, 16 to 25, unmarried, and residents of the community at least a year.

Bathing suits, poise and personality will be considered by the five judges. The lucky young lady will represent Daly City in the County Fair Fiesta Dream Girl contest and civic events.

Girls wishing to compete may secure application forms at the office of Peter Markovich, 6454 Mission street. These papers must be returned by Wednesday, June 3.

Judges will be builder Henry Doelger, Mayor Edward Dennis, Superior Court Judge Frank Blum, Municipal Judge Charles Becker and news reporter Roy Hurlbert.

Death struck 66-year-old Charles Earl Smith Tuesday morning as he was about to make a deposit in the Daly City branch of the Bank of America, corner of Mission and San Jose.

According to Manager Louis Pisani, Smith stood at the counter in apparent good health as he made out a deposit slip, then suddenly keeled over.

Police dispatched Smith in an ambulance to Junipero Serra Hospital where he was pronounced dead on arrival from an apparent heart attack.

Smith and his wife had been living in the New San Francisco Motel, 6925 Mission street.

TRUSTEES BUY LOTS TO SPEED OCEANA SCHOOL

Approval was given for the payment of \$12,250 for a house and two lots in the Sharp Park Oceana High School project by trustees at their meeting Monday night.

Mr. and Mrs. Thomas Santa Maria will receive the money in exchange for their lots 20 and 21 in block 10.

In other agreements, the school board decided to give \$6000 to the Civic Center Fund by honoring Daly City's request for \$2500 and Pacifica's in the amount of \$3500.

Superintendent Edward Morgan reported that this year's summer school will offer the most extensive range of courses to the biggest enrollment of students in Daly City history.

The board also gave approval to a request that they be immediately notified of any development plans for the Crocker Estates so that they can be sure of picking a satisfactory school site which can be developed at a reasonable cost.

Morgan commented that with present revisions in enrollment projections the district will probably be eligible for another 40-acre school site by next fall.

A highlight of the evening came when James M. Cooper was administered his oath of office. This ceremony will be repeated in July after Cooper has finished serving the term of Don Miller and begins his own three-year stint.

Councilmen Take First Glimpse At New Fiscal Budget

City Manager George Watts presented the proposed 1959-60 fiscal budget to councilmen Wednesday night for their first examination.

A breakdown on the budget will be published in next week's issue. Councilmen have scheduled several study sessions as they will check the requests and needs of each department.

boundary of the school site after the city abandons the old route which cuts across the school property and is holding up the school's construction.

The city's trump card against the Callans (to make sure the builder will expedite the re-alignment and fulfill expenses) is that the council will hold up the additional commercial rezoning requests of the Callan firm in its 21-acre parcel east of Westmoor High and west of St. Francis Heights.

Callan says he needs the rezoning to provide more ample parking facilities for his shopping center.

Several citizens and Carl Timmons, engineer for Henry Doelger, took the floor Monday night opposing the Callan commercial zoning, citing that it was both bad city planning (there are other adequate shopping centers in the area—they claim) and that Callan's request would end up not in more parking but in more stores.

Callan answered that his commercial development would be beneficial to residents because it would give them lower prices through competition. He also added that the big stores coming into his area definitely have asked for more parking facilities.

Hearing on another debated Callan issue, the vacation of portions of Gambetta and Wyandotte streets (to make room for Callan's apartments) was closed and the city attorney was instructed to draw up papers for the abandonment.

Rezoning of lots for this apartment project passed by ordinance via a 3-2 council verdict Monday night. Councilmen Michael DeBernardi and Joseph Verducci voted

tortion, and that the police would arrest her therefore."

McLaren commented on this by saying that the particular letter under investigation was only vituperative and threatening in nature, but not an extortionary document.

"To the best of my knowledge," stated McLaren, "this letter was not typed on the machine now in Mrs. Kaufman's possession, and this fact has cleared her of possible implication in the affair, in my judgment."

OLPH SCOUTS HOLD COURT AWARDS FETE

Boy Scout Troop 243 held its last quarterly Court of Honor at Our Lady of Perpetual Help hall last Saturday evening.

Master of ceremonies was Troop Committee Chairman Ed Ciabattari.

The Cobras took home the Honor Patrol award, a handsome gold-headed axe. Scout of the Month awards, purchased from funds made available by the sponsoring OLP Men's Club, were won by James Price and Eugene Duffy. Harold Clifford was awarded his second class pin.

Movies of the recent Troop 243 snow trip were shown after all awards were presented. Coffee, cake and ice cream were served to round out the evening.

were aggravated by the friction between them.

The woman's absence was first noticed in the home of Clifford Williams by one of his children, Linda, for whom she was caring.

Linda arrived there from school to find only her five-year-old brother Clifford in the house.

She reported the babysitter's absence to a next door neighbor who then notified the sheriff's office. They could gain no lead on her until the body was taken from the Pacific surf.

W'lake Woman Admits Shoplift At Mayfair Mkt.

A shoplifting charge was brought against Venus Rose Monroe, 53, of 71 Pinehaven drive, after she was caught taking items of food from Mayfair Market Saturday afternoon.

In the police report it was stated that Frank Hicks, manager of the store, first noticed the woman as she attempted to hide a roast from view while walking away from the meat department.

He followed, without her noticing, and saw her put the meat under her coat before leaving the store. Next, he notified Jim Eddy, liquor department manager, and the two followed the woman to the parking lot.

She at first denied her actions, then gave up the item and stated that she desired to pay for it. The two men persuaded her to go to their office, where they promptly called police.

Officer John Coleman arrived on the scene and found the woman reluctant to open her purse.

Then Officer Art Linhares appeared, talked to Miss Monroe and persuaded her to show the contents of the handbag. Two bell peppers and two New York cut steaks appeared therein.

She admitted taking them. When asked for identification she said that none was on her person but it could be found in her car.

A check showed six steaks, a pound of coffee, a pound of butter, two packs of sausage and a can of crab meat, which had come from the market, lying on the back seat.

Miss Monroe could give no satisfactory explanation for her possession of these. She was booked on a shoplifting charge and her bail set at \$500.

Westlake Assn. Claims Opperman Case Victory

(Continued from Page 1)

of the Superior Court, consisting of three San Mateo county judges, who reversed the lower court's ruling, upheld the position of the association and recommended a retrial.

The Oppermans and other defendants, represented from the start by attorney Allen Sapiro, still refused to pay the assessments, claiming the reverse decision was not specific and not binding. As ordered by the Appellate Court, the association then decided to proceed with a "test case" against the Oppermans to collect the overdue assessments.

The May 14 consent judgment, according to the association, eliminated the necessity of a retrial and upheld the association's position, as per the Appellate Court ruling.

Sapiro, however, noting that the position of his clients has not changed (they still contest the legality of the assessments) maintains that still undecided are whether association membership is voluntary or compulsory, if application for membership is the same for all Westlake units, and if there are any provisions for resignation from the association.

Sapiro challenges the association's position that membership is not compulsory but the assessments are. His clients feel the association is a third party and that the only obligation the homeowners should have is with the builder, Henry Doelger, through the deeds.

Two years ago, the association changed its by-laws and eliminated the word "dues." Initial "assessments" to homeowners are \$18, followed by an annual assessment of \$7.

Representing the association in the assessment cases have been attorneys Jeremiah Jackson and Robert Smith. Jackson's comments on the May 14 judgment were relayed and confirmed by WIA attorney Hartley Appleton.

Lioness Club Mom-Daughter Fete Colorful

Recent meeting of the Daly City-Colma Lioness Club was a mother-daughter dinner (a further observance of Mother's Day) at Uncle Tom's Cabin.

Jo Putkey and Dolly Lewkowicz were co-hostesses. The evening featured an apron parade with numerous prizes. Tillie Martin and her guest had the most original aprons; Elaine Lewkowicz had the prettiest, and Arlene Leigh the most practical. After Florence Hopman won the door prize of a ceramic dish and as the guests were enjoying the beautiful table decorations and corsages, the ladies were presented with key-shaped Lioness pins. To further entertain the guests, William Ardis and his Westmoor High School Drama class presented a one-act play, "The Balcony Scene," a comedy.

The month of June will be an informal one as far as the club is concerned—no board meeting—and an informal luncheon is being planned for Thursday, June 11, at Brentwood Lodge, starting at 1 p.m.

Brisbane Debs Set Car Wash Project
A car wash fund-raising project will be staged by the "Debs," a girls' club in Brisbane, on Saturday morning, June 6, from 8 a.m. to 1 p.m.

The sites are Mozzetti Bros. Station and Chuck's Station. Fee is \$1 per car.

GE E SHEU WAI, keeper of the dragon and lion used in the Chinese New Year's Festival parade, brings out the lion in preparation for a special appearance at the Scout-O-Rama (Saturday evening, June 6, Kezar Stadium) when the symbolic dragon dance will be performed for the first time outside of Chinatown. Boy Scout William Fong, 11, is a member of Troop 3, oldest active Scout Troop in San Francisco, which will be honored in a special ceremony at the Scout-O-Rama in which the dragon and lion will be the highlight.

Free-For-All Disrupts Party On San Diego

A vicious fight broke up Friday night's fun in the home of Mr. and Mrs. Pete Negrone at 382 San Diego avenue early Saturday morning.

They had invited two San Francisco couples, Mr. and Mrs. John A. Crowson, their in-laws, and Robert Benavente, accompanied by his girl friend, Gloria Haven, to the house for an evening of drinks and music.

According to the police summary and statement of those involved, a strained relationship developed between Negrone and Benavente.

Late in the evening, their raw tempers suddenly flared and a free-for-all battle was on between them.

Police said that Negrone hit Benavente with anything that was available in his attempt at self defense. Items probably used included china, a dresser drawer, furniture, and a 12-inch crowbar.

In his turn, Benavente pulled a rifle from Negrone's collection and attempted to shoot his host, but was unsuccessful because the gun was not loaded.

By the time Officer Robert Crocker arrived he found Benavente prone upon the floor with blood streaming from his head and face.

As he attempted to help the man, Benavente jumped up, ran to the bedroom, grabbed another rifle and again tried to start a shooting match. However, a lack of bullets preserved the safety of all involved.

Crocker locked Benavente's arms with handcuffs and had him transported to Junipero Serra Hospital, where sutures were needed to close scalp and facial wounds.

Because none of the people involved wished to press charges a warning was issued to all and the party broken up.

Templeton Theft Of \$76 Traced To Jeff Youth

Theft of \$76 from a mayonnaise jar in the kitchen of Joanne Weber at 707 Templeton avenue was charged to a 17-year-old Jefferson High youth.

Officer Frank Murray stated that at first Mrs. Weber and her family were at a loss to imagine who might have taken the odd change savings from their house sometime Friday.

Finally, their suspicions came to rest upon the boy who had been a guest in their home Thursday night.

Police here attempted to contact him several times before meeting with success late Saturday afternoon.

At first the young man denied any knowledge of the matter, but he finally broke down under more questioning.

According to the police report, he discovered the money's location while visiting the house. The following day he returned, watched from the hill until all occupants had left the premises, and then entered through the kitchen door.

At the time of his apprehension, only \$6.83 remained in his possession. The remainder of the loot had been spent on horseback riding, pool, carnival entertainment, a movie, gasoline and food.

A charge of theft was lodged against the suspect and he was transported to the Hillcrest Juvenile Home.

BOUQUETS TO THE GARDEN CLUB

The Daly City Garden Club added more honors to its growing list of accomplishments at the recent state convention of flower enthusiasts in Palo Alto.

The local group practically stole the spotlight by walking off with two outstanding awards—state and national ribbons for excellence.

Throughout its brief history, the DC Club has consistently brought cultural credit to the community, evidenced by the many awards received in local and regional competition.

This group is setting a fine example for others to follow here.

Our congratulations to the Garden Clubbers for their latest achievements. We expect that there will be many more in the years to follow.

KIP Workshop News

Joseph Lewkowitz, chairman of the Daly City Cancer Drive, thanked Kipsters and the Hi-Fi Teen club for their generous efforts in putting on a benefit dance and show last week.

Rich Fenn of Daly City and Maudelle Baker of San Francisco led a parade of Kip talent that included acrobatic dancer Arlene Johnson of Daly City, Kathy Sallade, talented ballet dancer; Cathy Cubie, Daly City pianist; Betty Molina, Doreen MacDonald, Donna De La Cerna, the well-known Kip Kombo; the Sparklers, who were a hit, as usual; and the rapidly popular Spinners with Bob Marshall on drums. The Ebonettes, new vocal ensemble led by Kathy Johnson, Susan Murray and Luerra Stelling, and Terry Erkle, vocalist, were among the other Kipsters greeted enthusiastically by the teenage audience. All proceeds of the evening were turned over to Lewkowitz for the Cancer Society.

The Sparklers auditioned recently at KipHaven for a recording company executive. The Larsen brothers, Rich Fenn, Johnny Peterson, and Skipper Berta make up the lively group.

Kip needs help! Do you type, can you file, paste clippings, or telephone for one hour or more per week? Anyone interested should contact Kip Di-

rector General Kay Irvine, PL 6-6766.

The Chas. Addingtons of Daly City are moving to a new apartment in Westlake this month. This generous duo have added to their previous donations for Kip and given much needed materials for the prop and costume department.

Primo Amadori of I.C.C. has been coordinating plans with Kip for the formation of an adult group at I.C.C. in San Francisco. The long-range plans call for a Kip Kids group in the Precita Valley area after adult help has been activated. The popular Primo is a singer in his own right, specializing in nostalgic At-Jolson numbers, and is a lead singer in I.C.C. choir.

Eileen Bunch, Kip Kid of South S.F., has been doing an excellent job as coordinator for stage productions.

Joe Di Maggio of Daly City, Kip board chairman, is still convalescing from his recent illness. Kip members are looking forward to the return of the active list of the well-liked Di Maggio.

Etcheverry called a luncheon meeting Tuesday for interested participants to kick off this drive.

Etcheverry said the drive has a threefold purpose:

1. Reach the "grass roots" voters and provide a broader base for political activity and contributions.
2. Contact new residents who have not registered, the independent voter who is uncommitted, and lastly urging those who have been dropped from the rolls because of a move or non-voting to again register in their present location.
3. Launch a neighbor-to-neighbor fund drive, with part of the proceeds going toward setting up a local legislative news bureau to inform the general public of Republican principles, views and activities.

JC Candidate Thanks Voters

Dear Editor:

Would like to thank the many people of your town and the North County area that cast their votes for me in the Junior College Trustee race. Although I only attended three meetings and spent practically no money of my own on this campaign, I feel as many of my friends in the county do, that I had done exceptionally well. I could not campaign as I would have liked to because of the suit against our people of Brisbane pending in the Appellate Court, and by me asking my friends to "vote for the incumbents" some of them had not been following the situation too closely, figured that I had withdrawn my name in favor of all incumbents.

Some of them even said they had been told that I had withdrawn my name. I hadn't counted on this, but this to me was really funny, and I was very happy with the Brisbane election results. Thank you for your non-partisan attitude in this election.

Very Truly,

Recreation Center For Handicapped Asks Public Support In Fund Drive

By Barbara Garten

Every alternate Saturday from 10 a.m. to 4 p.m. and Tuesday and Thursday evenings from 2:30 p.m. to 9:30 p.m., the Fishhooker Pool Building, on Great Highway, is all a buzz. Coming in wheelchairs, rolling beds, on braces, crutches, or some being carried, are the physically handicapped. This is a big time for them, it provides creative recreation in those all too many leisure hours.

The center was founded in 1952 by Mrs. Janet Pomeroy. It was a service for the cerebral palsied but was later expanded to include individuals of all ages with any physical handicap.

Among the more than 100 now attending the center, are victims of arthritis, cerebral palsy, malformation, multiple sclerosis, muscular dystrophy, poliomyelitis, stroke and muscular atrophy. The only ticket needed for admission to this recreational center is a physical handicap that bars participation in normal activities.

The work that is being done here is unexpressible in words. It takes a good look into the faces of the handicapped to know the love and appreciation which they feel. This is a nonprofit organization. It owes its very existence to the voluntary effort of friends and parents of the handicapped. The major costs of basic operating expenses are met with funds raised by the board of directors through voluntary contributions from individuals and organizations; corporate membership fees; service fees from members of the program; and others. The expenses include transportation, arts and craft supplies, as well as other material supplies, some food, paper, tools, office necessities, among the very few.

John Surabian New President In Broadmoor

John Surabian was elected president of the Broadmoor Property Owners Association at its recent annual meeting.

New directors chosen were Bob Ellis, Vern Box, Jack Baumgartner and Dan Fogliasso.

Occupying the others offices are: Vern Box, vice president; Fogliasso, secretary, and Pat Noll, treasurer.

Outgoing president Lou Manis turned over the gavel to Surabian and the former was commended for "a job well done" the past year.

Noll read the financial report for the past year and explained in detail, exactly how the \$6 yearly assessment is spent.

Quite a debate was started about the perennial White street problem. There was a fine turn-out of the local residents who were evenly divided on the issue "for" and "against." Mail your opinion whether you are in favor of the White street extension, or whether you are against it, to B.P.O.A. 714 White street, Colma. BPOA meetings are held once a month on the second Thursday, 8 p.m., at 714 White street.

The center is making its first public appeal for funds because of its vast increase in demand for services. Now underway in San Francisco is a campaign to raise \$50,000 for the support of the Recreational Center for the Handicapped. For further information, contact Mrs. Janet Pomeroy, OV 1-6534.

Rejuvenated Organization

CONGREGATION B'NAI ISRAEL HAS 2ND ANNIVERSARY THIS FRIDAY

Congregation B'nai Israel of Daly City will officially observe its second anniversary this Friday evening, May 29.

The entire religious service will be dedicated in honor of the past presidents and officers who undertook two years ago to reactivate and rejuvenate this congregation into a modern house of worship of Rabbi Solomon A. Shore, noted spiritual leader and educator.

Congregation B'nai Israel was the only house of worship in San Mateo county for many years until the Peninsula began to attract a heavier Jewish population. Founded by immigrants in 1908, the congregation developed quickly as a result of the earthquake of 1906. It became a landmark in Daly City and was well supported by Jews and non-Jews.

SOLOMON A. SHORE
...spiritual leader

In the course of time, the original builders vanished from the scene and the younger generation moved further onto the Peninsula. As time went on, this congregation lost its active leadership and became merely a reminder of a great past.

The tremendous growth of Westlake during the past decade and the big influx of Jew-

ish families into this area again put Congregation B'nai Israel on the map.

In order to serve the spiritual needs of the modern generation, it was necessary to introduce some changes within and thus attract the American-born Jews.

The new group therefore have introduced the Conservative form of worship, which is more popular with the young American Jews. The last two years have brought forth astonishing results. The handful of people who have introduced the change have grown into a flourishing congregation with a Men's Club, a Sisterhood and a Youth Club.

The Sunday school accommodates close to 100 children, and the Hebrew school offers courses in Hebrew, the Bible, and Jewish history to about 30 youngsters.

Rabbi Shore, a member of the faculty of the Bureau of Jewish Education of San Francisco, is constantly improving the school's curriculum. Graduates of this school will be admitted to higher institutions of learning.

During the last two years the Congregation has gained wide recognition in the entire area as an institution of learning and also for its preservation of Jewish traditions.

Rabbi Shore, a member of the California Board of Rabbis, is also a member of the American Cantors and Ministers Association—thus preserving and maintaining the original chants and melodies of Israel.

To be honored this Friday evening will be Everett Hartman, president in 1957; Reuben Pinkus, 1958; Paul Lichtman, current president, and the original ten charter members.

Mariner Girls Honor Leader With A Badge

By Servat Ojakian

High Senior Mariner Girl Scouts, who are graduating from Scouting after 11 years of activity, presented their leader, Mrs. Margaret Damon, with a "Thanks Badge" at a farewell dinner at The Franciscan last Sunday.

The "Thanks Badge" is a rare honor awarded to leaders who have shown outstanding service to their group. Mrs. Damon carried her troop, Ship 13, through 11 years of Scouting—a rare achievement. She is a leader of the highest merit. Her interest in the girls has always reigned supreme, and she has always loved working with them.

Mrs. Violette Brown, Mate for Ship 13, was also an honored guest at the dinner as this was the end of her active days. Her daughter, Betty, a senior, is graduating.

Mrs. Brown has always been an excellent Scout, and has participated whole-heartedly for the betterment of the Scouting program. She deserves a big vote of "thanks."

Though Mrs. Damon's daughter, Susan, is graduating, Mrs. Damon will continue her work as Skipper for Ship 13.

Fifteen Mariners attended the dinner party, a very pleasant affair.

'Thanks Badges' Go To 3 Girl Scout Leaders

"Thanks Badges" have been awarded to three outstanding Girl Scout leaders in recent months.

Mrs. Verona Williams, Girl Scouts' District Chairman, active for seven years, received her award last November. It was bestowed by the Westlake neighborhood for her outstanding work in the area.

Mrs. Helene Mori, a 9½-year member, received hers in March. She was honored for her tireless and excellent work, especially in the field of advanced day camp.

Mrs. Margaret Damon received her Thanks Badge on May 24, from her eight Senior Scouts whom she supervised through 11 years of scouting as Brownies, Intermediates and Seniors.

17th District PTA Aids Top Music Student

Furthering their work in student aid, close to 450 representatives of the 17th District of the California Congress of Parents and Teachers have voted unanimously to contribute \$50 to the fund which will send young Bob Galbraith to Michigan this summer.

The monetary help came as the result of a communication read to the district's May meeting, held in the Burlingame Methodist Church last Thursday.

Galbraith, a student at the Hoover School in Redwood City, is the recipient of a scholarship to the Interlaken Music School. The honor was awarded in recognition of his outstanding promise in that field.

In the absence of Mrs. J. B. Mills, district president, who was attending the 63rd annual convention of the National Congress of Parents and Teachers in Denver, the session was conducted by vice-president Mrs. August H. Johnson. Included in her agenda was the reading and approval of the 1959-60 budget as presented by district treasurer, Mrs. L. H. Prager.

The meeting also served as a School of Information for new presidents and various chairmen of PTA units throughout San Mateo county. With representatives of the 138 local groups assembled in sections, training classes were conducted by appropriate district officers and chairmen.

The sections and their leaders were: student welfare, Mrs. Joel L. Yager and Mrs. George Elliott; ways and means, budget, Mrs. C. N. Underwood, Mrs. Robert Macartney and Mrs. L. H. Prager; secondary service, Mrs. Thomas Roberts; presidents and parliamentarians, Mrs. Roy N. Cloud; membership, Mrs. John Pleskach; parent education, Mrs. Forest Cunningham, Mrs. Del Wilson, Mrs. Gene Hedrick and Mrs. S. J. Veglia; hospitality and room representatives, Mrs. August Johnson, Mrs. Michael Doherty and Mrs. William Blumer; publicity, Mrs. David Sears and Mrs. Kenneth Gillespie.

Stained Glass Window B'moor Sermon Topic

This Sunday the sermon subject of the 11 a.m. worship service at Broadmoor Presbyterian Church will deal with the message of the symbolism of the new stained glass chancel window.

This window, with its predominantly blue and red colors, depicts the four Gospel Books of the New Testament—Matthew, Mark, Luke and John. These are shown by the four traditional winged symbols placed in the four panels of the round window located in the apex of a large wooden cross.

Weaving around through the four panels is a red ribbon of glass which reminds the viewer that the common theme of the four Gospels is the life and message of Jesus Christ.

This window was done in antique type glass by the Cummings Stained Glass Studios of San Francisco. The expense of the window was met by 75 family and individual gifts of the congregation of which seven gifts, including that of the Colma Community Center, were in memory of Mrs. Margaret Pauline Brown.

Ray Lichtenberg was chairman of the window committee which included Charlotte Spruill, Sibine Fairbanks, Trevor Jones, Kenneth Gillespie and the pastor, Rev. Herbert Tweedie. The public is invited to view this window at any Sunday service or during the week.

PROUD on the prow of one of the many boats to be displayed during the Vacation Sports and Boats Show at Westlake Shopping Center from June 1 to 6 are Vera Lee (left) and Ann Jones. Inboard, outboard and runabout craft plus other types of sporting equipment with an overall value in excess of a half million dollars will be exhibited through the sponsorship of the Westlake Merchants Association and Henry Doerger Co.

Three Car Crash On Junipero Serra Brings Drunk Rap

A drunk driving charge was brought against Edward Merrill Thomas, a 49-year-old San Leandro man, after he hit two parked cars on Junipero Serra boulevard.

When officer Phillip LaBruzzi investigated the accident he says that Thomas told him a car driven by Louis A. Zych, 533 Vista Grande, pulled out directly into his path.

Quick investigation showed this to be an impossibility because Zych was nowhere to be found, due to the fact that he had been in Val's, eating his dinner.

Next, Thomas fell when LaBruzzi ordered him from the car. The driver walked with a stagger, had slurred speech and watery eyes, according to the policeman's report.

A blood test proved positive and he was booked on a 502 drunk driving charge. Bail was set at \$500.

The other vehicle which Thomas hit belonged to Oreste Rocchi, 140 Mateo avenue.

CONFIRMATION class of 1959 at Daly City's Hope Lutheran Church form a handsome group. Front row (left to right): Claudine Fair, Paula Hirschberg, Sandra Jones and Coral Foss. PENALTY FEES NIXED UNDER GI LOAN LAW

Q—A friend of mine, not a veteran, made a fairly large extra principal payment on his house recently, and was required by the lender to pay some additional interest as a penalty. My friend says this is common practice in conventional loan arrangements. I understand, however, that it is not possible where the loan is a GI loan. Am I correct?

A—You are right. The GI law specifically states no penalty charges may be made if a veteran wishes to make an extra principal payment on his loan. The extra payment, however, must be at least one hundred dollars, or a full monthly payment, whichever is smaller.

Q—I am going to college under the Korean GI Bill. If I take a part-time job this summer will I have to report those earnings to the VA?

A—No. Students taking classroom college training under the Korean GI Bill need not report outside earnings, and outside earnings do not affect allowance checks in any way.

Q—My husband died recently of a service-connected condition, and I am now drawing death compensation payments from VA. I have a chance to take a secretarial job. Would my earnings in a job decrease the amount of my compensation?

A—No. Your income would have no effect on your death compensation. Income limitations do apply, however, to pensions based on deaths not connected with military service.

Q—I let my permanent plan GI insurance lapse, and along with it, the total disability rider I was carrying. I reinstated the basic insurance policy but not the disability rider. In reinstating the disability income provision, must I pay all back premiums on it, plus interest, or can I just add a new disability rider?

A—In reinstating a lapsed disability income rider to your GI insurance you may either follow the procedure of paying back premiums, with interest, and fulfilling health conditions, as you did with your basic permanent plan insurance policy, or you may simply apply for a new disability rider.

JUNE 6 AT KEZAR

8000 Boys And A Live Elephant In SF's Scout-O-Rama Spectacle

The 1959 Scout-O-Rama, biggest outdoor Scouting extravaganza ever staged in San Francisco, which will be held at Kezar Stadium for the first time on June 6, will include everything from a grand entry parade with a cast of 8000 Scouts to a live elephant.

With a record participation of almost 300 Packs, Troops and Posts this year, the grand entry "Proudly We Hail" will include every Cub, Scout and Explorer in the show with 1000 Scouts forming a giant Scout badge in the center of the arena while the rest march in formation around it.

Dr. Richard Glyer, associate professor of drama at S. F. State College, who is event director for the first act, will precede it with a prologue in which 68 flags representing the nations where Scouting exists in the world, will be raised in sequence as the narrator reads the Scout Oath in the language of each country.

The biggest tower building contest the Scouts have ever staged will be the feature of the "Wagons Ho" event as hundreds of Scouts set up 50 signal towers made of eucalyptus poles lashed together. As the 20 foot towers are completed, Scouts will climb to the top of each to mount the flag of every state in the nation, illuminated with flares.

In a fast-paced act "Teamwork and Timing" the famous Oakland Motorcycle Police Drill Team, midget autos, motor scooters and a bicycle corps will perform precision drill routines while teams of Scouts run obstacle courses on rope-

Everything But The Kitchen Sinks OK After Callan Theft

Burglars left everything but the kitchen sinks when they robbed the Callan Construction company's new apartment house at 90th and Sullivan street Friday afternoon.

Entry was apparently gained by kicking a panel out of the front door. Then the thieves appeared to have gone directly to the living room where the stainless steel sinks were stored.

They took two valued at \$40 and left five behind them. Officer Lester Bastardo investigated the theft but could not find any suspects.

W-Wilson PTA Ends Year With Busy Session

The last meeting for the school year of Woodrow Wilson PTA was held May 19 in the school multi-use room with the new president, Mrs. Evert D. Mason, presiding.

Miss DeBolt's fourth grade class presented a panel discussion on safety, and a film "A Family Afoot in the Yukon," was enjoyed by the members.

During the business meeting, Mrs. Mason gave an interesting report on her experiences at the state PTA convention, May 5-7. Mrs. Robert Van Zandt was elected delegate to the coordinating committee for 1959-60. Mrs. John Spittler and Mrs. W. R. Clark, past presidents, were elected alternates to the president and delegate.

Mrs. Van Zandt related an amusing history of the Woodrow Wilson unit's 1958-59 year in verse. As chairman of the salvage drive, she also gave Mrs. Hahn a radio for use in the classrooms, bought with the proceeds of the drive.

Mrs. Spittler was presented with a publicity book commemorating her year as president (1956-57).

One more executive board meeting, June 3, will complete the year's meetings. There will, however, be promotion parties under the direction of Mrs. Calvin Grey, and staffed by the room mothers, held at the school in each classroom on June 10.

STATE, NATIONAL AWARDS

DC Garden Club Hogs Convention Honors, Bring Home Top Ribbons

On Saturday evening at Rick-ey's in Palo Alto, the highlight of the state convention was the awards banquet dinner.

As 400 garden clubbers convened for the annual awards, Mrs. Thomas Parish, first vice president of the Daly City club, received the purple ribbon awarded to the state of California by the National Council of Garden Clubs for the 1958 Flower Show in Daly City.

The theme of the 1958 garden club show was "Cavalcade of Daly City." Added to this national honor the DC Garden Club also walked away with the blue ribbon flower show award for the state.

Two years ago the local club won the top purple ribbon national award and was once again eligible this year and captured the prize again.

Clair M. Yohn, yearbook chairman, received the blue ribbon state award for the Garden Club's yearbook, taking the top state honor in this competition for the second year in a row.

Mrs. Joseph P. Schultz, publicity chairman, said "Without the enthusiastic support of our local papers and the support of our community and the wonderful members of the garden club, these awards would not have been possible."

The state convention convened on Thursday with the president's breakfast. Mrs. Ward McLeod, president of the DC Club, and Mrs. Richard T. Hunter, enroute to the breakfast, had a bad automobile accident at Menlo Park which required emergency hospital treatment. Both are now at home recuperating from injuries.

Presentation of the Westlake District 4-B scholarship was

made by U. R. Kendree, managing director of the Westlake Shopping Center, to Jack Daniels, head of the arts department of the College of San Mateo, for the district sponsored flower show held at the Westlake Shopping Center in which all the clubs in the district participated.

The table decorations and place cards for the awards dinner were the responsibility of the Daly City club. This task was chairmaned by Mrs. Edmund Kohlhauf, who carried out the theme of the convention "Trail of the Padres" with containers of pink gladioli, and copper toned bells hanging from eucalyptus bark which she had gathered in the Woodside hills.

Mrs. Kohlhauf's committee for decorations were: Mrs. Lyl Ingersoll, Mrs. Yohn, Mrs. Thomas Parish, Mrs. Hunter, and Mrs. Schultz.

Mrs. George A. Panaretos, president of the Ralco, Hoe & Spade Garden Club of San Mateo, will be guest speaker on the all important topic "Flower Show Schedule."

The public is invited to attend the meeting at War Memorial Building. Members of the garden club are asked to bring plants for the plant table, also cut specimens and a line arrangement of fresh cut material to be used in the discussion of flower show schedules.

The Westlake Boat and Sport Show will definitely appeal to the boat enthusiasts, offering a tremendous price range from which to select the right boat to meet all requirements."

Approximately \$500,000 in boating and sports exhibits will line the Westlake Court during the run of the show, with many original and unusual displays highlighting the colorful and varied exhibits.

First Graders At Vista Mar Tour Air Base

Pan American Airlines last week acquired 66 junior pilots and stewardesses. These new staff additions, who were presented with pilot or stewardess wings, were Vista Mar School's first graders from Miss Beverly Schaffer's and Miss Nancy Shankman's rooms.

The wing presentation took place during a tour of Pan American maintenance base. Of special interest was the fact that the tour was conducted by Earl Benson, grandfather of one of the first graders, Shari Magee.

After inspecting the maintenance hanger where they observed planes being repaired, the children boarded "The Queen of the Skies," a Pan American clipper. Sixty-six wistful "passengers" stretched out in the seats, fastened their safety belts, and imagined themselves flying through the clouds. The trip also included an inspection of the plane's kitchen and the pilot's cabin.

North End Response Very Good In County-wide Cancer Campaign

San Mateo County's corps of 4000 Cancer Society volunteers, hundreds of whom are doing an outstanding job in Daly City, South San Francisco and the Coastside, received special thanks and praise today from President Mrs. Albert A. Hedge.

Their stepped-up door-to-door campaign is beginning to carry some cities up to their quota.

"The country-wide record high goal is \$90,000, and the fund drive is still continuing in most cities," explained Mrs. Hedge. The important educational drive continues throughout the year.

"We have every hope of reaching our total this year, and once again setting the pace for the state. We've done it before and I'm sure that with the wonderful cooperation of the residents of this county, our workers will do it again," she emphasized.

Meanwhile, adding to the county's total has been the Daly City Hi-Fi club of teenagers who donated \$106 toward

the goal as the proceeds from a recent benefit dance.

Mrs. Edna Laurel Calhan, of Pacifica, north county division chairman, expressed the society's deep appreciation to the Musicians' Union Local 6, A.F.L.-C.I.O. who made the benefit possible. The drive in the east side of Daly City (differentiated from Westlake) is headed by Joseph Lewkowicz.

Mrs. Hedge reminded, "It is important for the public to know that the Cancer Society here has one of the lowest overheads of any such service organization. We have one full-time director, and three part-time people. Some of their work, of necessity, must be done on a volunteer basis also. Our goal is to channel every penny we can into national research, local education, and help to the utmost of our financial ability the cancer victims in our county."

College of San Mateo right-hander Eddie Leveroni hurled the Jefferson High alumni nine to a 6-3 win over Coach Steve Mezzera's varsity Monday afternoon in the Daly City school's annual feature.

Bob Strassburger, varsity starter, was charged with the mound defeat. He was relieved by Don Staff and frosh-soph ace Stan Montalvo.

Batterymate for Leveroni was Bill Strassburger, Bob's brother, who along with Eddie paced Jefferson to the North Peninsula League pennant in 1957.

The Lions' ladies will stage their Lioness luncheon on June 11 at Brentwood Lodge.

4 DC Baseballers Named 'All-Peninsula'

JERRY KENNEDY ON 'HONORABLE MENTION'

Scribes Select Krohn, Heick, Reitz, McHugh

Daly City athletes landed four spots on the 1959 All-Peninsula League varsity baseball team, announced today by the Peninsula Sportswriters Association.

Fourth-place Westmoor High has three first-team berths—junior second baseman Jim Heick, sophomore rightfielder Barry Krohn, and six-positions utility man, junior Tom McHugh.

Senior Roy Reitz, Jefferson High's versatile first baseman, is the scribes' choice as the best at his position.

Jerry Kennedy, Jeff's solid-sticking and defensively strong senior catcher, is on the six-player Honorable Mention list. Mickey Corso, championship South San Francisco's leadoff hitter and senior sparkplug was the choice ahead of Kennedy.

All first team pitchers were accorded unanimous ballots—Capuchino's southpaw whiz Darrell Weber (7-2 record), SSF's clutch-cool Bill Dawson (9-1), and Burlingame's Tony

Broadwood (7-2). All three are seniors.

Weber, with a three-year 17-4 varsity record, was unanimously named "Player of the Year."

Fifth unanimous selection on the first squad was outfielder Steve Cornejo, a senior of San Mateo. Krohn, who had 15 rbi's, played every game and delivered when it counted. Rounding out the first team outfield is senior Emil Bagneschi of Burlingame, a mainstay for the second-place Panthers.

With Reitz and Heick on the first team infield are junior Rich Jeffries of Mills at short-

stop and senior Gill Cyester of Hillsdale at third base.

Kennedy's Honorable Mention companions are third sacker Dave Joost of Mills, first baseman Ron Donati of South City, second baseman Don Glasgow of Burlingame, second baseman Bill Wilkin of Capuchino, and hurler Ron Howell of San Mateo.

Bob Brian of South City and Chick Hinds of Burlingame shared "Coach of the Year" honors.

Scribes making the selections were Bill Warden, John Kane, Roy Hurlbert, Jim Price and Warren Wyncoop.

WARRIORS BAG LEAGUE TITLE, BUMP JEFF, 5-3

South San Francisco's steady Warriors, riding on the swift right arm of ace Bill Dawson, captured the 1959 Peninsula League varsity pennant here Friday with a 5-3 victory over Jefferson High's punchless Indians.

Ahead 2-1 going into the third inning, Steve Mezera's Daly City nine succumbed to a three-run Warrior rally in the sixth. First-inning singles by Roy Reitz and Jerry Kennedy were the only blows off Dawson. His mates got only five hits off starter Len Anderson, and reliever Don Staff, two promising juniors.

Leadoff catcher Mickey Corso scored three runs for SSF and sparked his companions in the crucial tilt. The little guy wound up the season with 22 stolen bases.

Four of the five SSF tallies came in on squeeze bunts in the tense contest. A Jeff win would have left the Warriors and Burlingame (10-4) tied for the title.

SSF made two errors and the Indians' muffed on three plays. Dawson's win was his ninth of the campaign, ranking him in the same category with Capuchino's best-ever lefthander, Darrell Weber.

Weber ended his prep career Friday with a two-hit 10-0 job over Hillsdale. It gave him a 7-2 record this year and a 17-4 mark for three varsity campaigns.

JUNIOR LEADER PROGRAM HERE THIS SUMMER

The Parks and Recreation Department of Daly City will begin a Junior Recreation Leader program on a limited basis during the 1959 summer recreation season.

The new program is being devised as a leadership implement to the over-all city and school recreation program. Junior leaders will be assigned to local playgrounds or community centers along with one of the department's professional staff.

The program is being set up because of many requests from high school students for seasonal and part-time positions with the Recreation division of the department. A junior leader should be a junior or senior in high school and at least 16 years of age. They should be interested in public recreation, physical education or the teaching profession. Exact hours that a junior recreation leader may be on a playground or at Community Center will vary from two to six hours daily. This is flexible depending on the student.

For the first season this summer, all work will be on a voluntary basis. Students who show an interest will be considered for paid employment at a later date.

The Parks and Recreation Department stresses the new leadership program as an important step for students who are looking for leadership experience, according to Director Dee Van Nest. Application blanks may be secured from the Recreation Department of-

Christman Hot As DC Drug 9 Wins 2 In Row

Terry Christman of Westmoor held Huestad Garage scoreless during his four-inning stint and Daly City Drugs went on to beat the Berkeley nine, 14-0, Saturday at St. Mary's Field.

Al Steele lined a triple to open the fourth inning, but never left the bag as Terry struck out the side to bring his whiff total to seven.

George Claus went the distance Sunday for the Drugs against the same team and came out the winner 7-6, with five runs coming in the top of the last inning when Daly City made three errors. Marchbanks field was in good condition for the opener and the Drugs racked up 11 hits to give Claus a cushion.

Billy Ludwigen finished the Saturday game, allowing only two scattered hits. Barry Krohn was at first, Mike Rovai at short and Billy Hix at third. Bill Hynes and Eddie Walthard shared catching duties each day.

New members of the team are Stan and Tony Montalvo, Mike Maguire, Dan Mayer, Dick Schultz and Jay Duckworth. Mike O'Leary will rejoin the Bournellis outfit this week.

Daly City Drugs will meet Robinson Construction at Balboa Park at noon this Saturday, and return to Marchbanks to play Sharp Park at 2 p.m. this Sunday.

It is all part of the Vacation Sports and Boat Show, sponsored by the Westlake Merchants Association in co-operation with Henry Doelger Company. BAKERSFIELD SHOWDOWN

Dunbar Seeks State 1/2 Mile Crown Friday

Senior Dave Dunbar of Daly City's Westmoor High faces the biggest hurdle of his brilliant career this Friday night when the 17-year-old athlete battles the clock and class competition in the state prep championship meet at Bakersfield.

Dunbar's best half-mile time thus far is 1:53.3, putting him closest to the national high school record of 1:52.3, held by ex-University of California ace

Don Bowden. The latter established the mark while a student at Lincoln High of San Jose.

Dave warmed up last Saturday for this week's all-out effort by qualifying with a 1:55.4 first place victory in the North Coast section finals at Berkeley. In that torrid duel, Dunbar erased an earlier defeat—his only loss—at the hands of Rob in Ruble of Los Altos.

Dunbar was the only Westmoor entrant who qualified in Friday's meet. Rich Blakemore was fourth in the mile (timed in 4:32), but only the top three men in each event go on to Bakersfield.

Ram Tom Dake won the B division low hurdles in 1:36 and the Westmoor B relay unit took a surprising fourth.

Berkeley edged Vallejo for the North Coast title, 29 points to 28. Westmoor tied for seventh with Palo Alto, each with 10 points.

Summer Leagues Open Next Week At W'lake Bowl

Most of the summer leagues at Swanson's Westlake Bowl will get under way next week and continue until the first week of September when the winter leagues will begin.

There are a few openings for teams in men's handicap, mixed fives, and 825 scratch leagues which will be filled during the week. An organizational meeting will precede the starting of each league. The debut of the Father and Son League has been postponed until Sunday morning, June 7.

High score for the past week among the girl bowlers at Westlake was posted by Agnes Brown. She rolled a 227 game in the Early Risers League. A 200 game was bowled by Dolly Applegate in the Matinee Bowlerettes League, while Lee Johnson in the Westlake Keglerette League was knocking at the door with a 196 game. Other high scores for the daytime leagues were posted by Mary Adams with 194, Moira Senns 188, Rose Oster 185, Mary Lawson 177, Jennie Cintini 169 and Betty Altamirano 170. In the Men's Late Night Owl League, Tom Dillon of Moore's took high honors with 204.

The leading bowlers in the evening leagues for the week were: J. Ryan 239, George Freyslaiven 230, Lou Briggs 242 and 224, Vic Cristoni two games over the 200 mark with 222 and 229, Primo Liberatore 203, 223 and 216, Rosemarie Owens 204 game.

Soph Barry Krohn Strikes Out 12 As Rams Win Diamond Finale, 5-4

Lefthander Barry Krohn, the loop's best sophomore, fanned 12 and drove in a pair of runs Friday as he led his Westmoor High varsity mates to a 5-4 season-ending victory over Mills.

Krohn's sharp effort, his first mound start of the year, gave the Rams of Coach Rod Losberger an 8-6 record and fourth place in final Peninsula League standings.

South City won the pennant by beating Jefferson the same day, 5-3, as Bill Dawson halted the Indians with a two-hitter. SSF had an 11-3 record. Burlingame was next with 10-4, and Capuchino, sparked by southpaw Darrell Weber, finished at 9-5.

Krohn, regular Westmoor rightfielder, scattered 8 hits.

His two rbi's gave him a total of 15 for the year—one of the best performances in the league.

The Rams led 2-0 in the first, were knotted 2-all in the third, went ahead by one in the sixth, then rallied for two more in the final frame.

Junior Jim Heick, second sacker, got three of Westmoor's six hits and was flawless afield. Another Ram soph, third baseman Billy Hix, got two hits.

Dave Joost and Barry Sindici each stroked two hits for the invaders.

Of Westmoor's eight league wins, two were against South San Francisco, the champs. SSF's only other loss was to Jefferson early in the campaign.
